## **32 Sussex County Students Attend American Legion Jersey Boys State** *More than 325 New Jersey Communities Sent Delegates*

LAWRENCEVILLE, NJ – This week, 32 rising-seniors in high schools from Sussex County arrived at the 69<sup>th</sup> session of American Legion Jersey Boys State (ALJBS) at Rider University in Lawrenceville, NJ. The program, sponsored by the American Legion Department of New Jersey, is an action-oriented approach for teaching civics and government at the local, county and state level.

“It’s our honor to welcome 924 statesmen to Jersey Boys State,” said David Bagatelle, Director of ALJBS. “The Jersey Boys State record of producing our state’s leaders is strong including our current governor, Chris Christie, our senators, Robert Menendez and Cory Booker, and many other political leaders.”

Statesmen will have the opportunity to govern and interact with their peers from across New Jersey as they run their own mythical 51<sup>st</sup> state of the union from June 22-27. Within 24 hours each city will divide into political parties, elect a mayor and council from within their ranks. By the end of the session, statesmen will have filled the ranks of local, county, the state legislature, municipal courts and will elect two senators to serve at American Legion Boys Nation in Washington, D.C. later this summer.

**About American Legion Jersey Boys State (ALJBS)**

In its 69<sup>th</sup> year, ALJBS is a week-long experience that educates and motivates New Jersey's youth so that each statesman may become a citizen leader dedicated to service, respect, and Americanism. Together, the delegates form the mythical "51st" state of the union each year, where they elect their own local, state, and national representatives. Activities at ALJBS include legislative sessions, general assemblies, court proceedings, athletics, band, and career seminars, among many others. All expenses associated with attending ALJBS are typically donated by a sponsoring American Legion Post, a local business, or a community-based organization.
